

USEFUL INFORMATION FOR INTERNATIONAL EXCHANGE INCOMING STUDENTS

TEACHING METHODOLOGY

Learning input is delivered via:

- Lectures (CM),
- In-class groups (TD)
- Practical workshops (TP).

ASSESSMENT

ASSESSMENT:

- **Continuous assessment:** continuous assessment is made within the framework of Practical Workshops (TP). A mark is given for other types of work completed during the T.D in-class group sessions (e.g. written and oral tests in language courses).
- **Semestrial exams** (DS: "Devoir Surveillé"): exams are programmed according to a specific calendar for each Course Unit.

ECTS:

ENSAIT uses the ECTS (European Credit Transfer System), which has been developed and extended to guarantee academic recognition of study periods spent abroad. Full-time students in a European university must have 60 credits to validate their academic year (or 30 credits for one semester).

LIBRARY AND IT SERVICES

ENSAIT library service

ENSAIT library offers several information retrieval tools specialized in the field of textiles.

With subscriptions to 25 different magazines, 18,000 books, 1,000 Industrial Innovation projects, 90 PhD thesis, textile databanks (Textile Technology Digest, Colour Index, Compass France...), and access to databases on French and foreign patents, you will find virtually all the technical information you need.

The library has created different electronic tools such as press reviews and information bulletins, and offers open consultation of its documentation database.

IT Services

Students have free access to 4 Computer rooms (outside teaching hours), as well as use of emailing and web services.

INTERNATIONAL RELATIONS CONTACT

Director International Relations: Marie-Pierre DELESPIERRE Contact: marie-pierre.delespierre@ensait.fr +33 (0) 320 256 487

ACADEMIC and SCIENTIFIC SUPPORT

Each international exchange student is tutored/mentored by a lecturer-researcher who perfectly knows the curriculum at ENSAIT. The tutor lecturer helps students to choose their courses or their project, he/she advises international students regarding academic issues.

ENSAIT STUDENT LIFE

The BDE ENSAIT for an High Quality Student Life ...

The **BDE ENSAIT** (the student union of ENSAIT) plays a major role in the student life. It organizes and coordinates social activities for students like travels, clubs, parties, etc. The BDE aim is to bring opportunities, to help student to develop skills, to build communities and friendship, and to provide help and guidance for extracurricular activities. As international student, during your time at ENSAIT you are welcome to take part to any of the activities organized. This association is composed of 11 volunteer students which all have a key role to play. One is responsible of the welcoming and the wellbeing of international student. Feel free to contact him if you have any questions.

At ENSAIT,

- 1- Clubs linked to the BDE
- Plastic arts club
- Dance clubs
- Step club
- Zumba club
- Music club
- Cheerleading club
- Cooking club
- Karaoke club
- ENSAIT Fashion
- Photo club

Those clubs are conducted by volunteer ENSAIT students for ENSAIT students. There are no necessary requirements or fees to participate. All information regarding the schedules and the contact persons will be given upon your arrival. Those clubs are moments where students are having fun and share good time. All your ideas are welcome. If there are any clubs or activities you want to organize. Get in touch with the BDE.

2- Others Associations

In addtion to the BDE there are other student associations at ENSAIT:

- The sports association (BDS): this association manages all sport Ensait sport club (indoor football, volleyball, badminton, basketball, handball, running, sailing,,...) as for the BDE those clubs are organised by student and you can participate to them.
- The arts association (BDA): this association offers cultural activities (cinema, concert, show, exhibition,...) at off price tickets.
- AFIT: It organises the Gala. It is the biggest annual event at ENSAIT, it takes place end of January.

• COLORIL: produces personal touch

printed tee-shirts and sweat shirts for clubs and

ENSAIT associations, but for also for companies and other school and universities.

The charity association

ENROLMENT

You will need to fill in a registration form with your personal data in order to be registered in the ENSAIT database.

This will make you eligible for:

- your **student card**, which gives you a number of advantages such as student discounts
- a **certificate** from ENSAIT that you will require for certain administrative formalities such as opening a bank account.
- an **ENSAIT e-mail address and access to the WI-FI network and ENSAIT Intranet** once you have signed the charter of use for computer resources
- the ENSAIT library service

Once they have enrolled at ENSAIT, students from outside the European Union can register with the French Health Insurance system ("Sécurité Sociale") and apply for their visa from the Immigration Office ("Demande d'attestation OFII").

To this end, do not forget to bring:

- Europeans : health insurance card + passport or ID
- Non Europeans: a birth certificate in French or English + a passport and visa

HEALTH INSURANCE ("Sécurité sociale")

Every student must have the necessary health insurance coverage to study in France, in other words, a French or European social security number obtained by subscribing to the National Health Insurance system which will pay for your medical expenses.

In order to study abroad, international students must have **proof of complete medical** coverage before leaving their home country. + a civilian insurance (taken in your country or in France).

Members of the European Union

International students from EU member states may be eligible for a **European Health Insurance Card** ("carte européenne d'assurance maladie"). This document is supplied by the social security office in their home country. It allows students to receive medical coverage in France and in the other EU Member States.

Outside the European Union

International students from outside the EU must provide **proof of comprehensive medical coverage before they can obtain a visa for France.** Students studying abroad must have complete medical coverage in case of illness or expatriation due to serious illness. + a civilian insurance (taken in your country or in France)

If you stay more than 3 months in France, you are required to subscribe to the French Social Security system. It's for free now.

For coverage under the Student Social Security Scheme, you must meet two conditions:

- You must be under 28 years old
- You must be enrolled at a higher education institution approved by the French social security system

ACCOMMODATION

ENSAIT International Office can help International Students to find accommodation and will help with all the administrative procedures.

If you want the international office to help you to find accommodation, please comply with the following process:

1- Fill in the student accommodation agreement carefully

Check and sign the accommodation agreement and send it to:

Mrs Marie HOMBERT

e-mail: marie.hombert@ensait.fr

IMPORTANT: if you want us to find you accommodation you must **sign the accommodation agreement and pay €95** to ENSAIT. By signing this agreement, you will have made a **personal commitment** to live in the accommodation we book for you. If you want to leave before the end, the minimum you have to pay will be 2 months. And the delay to move is 5 weeks before = if you move on the 1st May, Mrs Hombert has to know it on the 25th March MAXIMUM otherwise you'll have to pay the rent for May in Crous.

2- The International Relations Office will book a room for you in a dormitory (US) / student residence (UK)

Dormitories in France are university residences managed by the **CROUS**, a French public office. It offers **cheap accommodation** (about 210/350euros per month). **Rooms are individual, basic and furnished** (at least a bed, desk, shelves). You usually have to share a bathroom and kitchen with other people who live on the same floor.

But you have to bring kitchen tools (217: induction, elsewhere not induction) + a cover/pillow/sheets for 1 person or a sleeping bag.

3- **Deadline for reservations:**

Please send the accommodation form to marie.hombert@ensait.fr

4- If you prefer private accommodation

You can rent a flat directly from the owner or from private housing associations. This will be more expensive than dormitories (around €350/450) especially the furnished ones.

NB: It is very difficult for foreign students to rent a private flat in France in general. If you want to rent a flat or a room in a private house or residence, you will be asked for:

- a guarantee (someone in France or Europe who can pay your rent in the event of a problem)
- a copy of your visa or passport or identity card
- a residence permit

5- In all cases, on your arrival at the dormitory, you will be required to:

- sign the housing contract
- pay a deposit (1 month's rent)
- pay the 1st month

NB:

- You cannot cancel your reservation after arriving (accommodation agreement) = you have to stay (or pay) 1 month minimum
- Your accommodation will not be available if you arrive at the week-end (Saturday / Sunday) or after 16h00.

6- General Accommodation Conditions

HOUSING INSURANCE

You are legally required to insure rented accommodation. A landlord will only hand over the keys to the property once you have produced a certificate proving that you have taken out suitable insurance, in the form of a comprehensive home insurance policy ("police d'assurance").

This insurance policy covers inadvertent damage caused by the tenant ("risques locatifs") and damage caused by natural disasters ("catastrophes naturelles"), which includes things like flooding and damage by storm or earthquake.

In addition to covering the actual property, most comprehensive house insurance policies ("assurance Multirisques-habitation") also cover third-party liability ("responsabilité civile"), i.e. accidents caused by the tenant, even outside the property covered by the insurance policy. This insurance policy is also mandatory. You may already be insured in your country of origin. If this is the case, you must be able to show a copy of your insurance policy.

It is mandatory to have a home and civil liability insurance policy. You can buy a comprehensive home insurance policy which often covers both at your bank when creating an account or online on :

https://www.assurances-etudiants.com/ (select English if necessary)

DEPOSIT

Every tenant must pay a deposit when signing the housing contract, equivalent to one or two month's rent (two months if you choose a private furnished flat). This will be refunded if there is no damage when you leave (on entering and leaving the flat, you and a member of the housing agency will draw up an inventory of the premises ("Etat des Lieux"). Your accommodation should also be left CLEAN.

RENT

Payment is made bank transfer or with card NOT CASH anymore; it would probably be useful for you to open a French bank account to make transactions easier (see section: "opening a bank account")

OPENING A BANK ACCOUNT

Most financial transactions in France (paying bills, rent, receiving a salary or social helps...) are made through banks. It is advisable to open an account in a French bank if you are staying for more than 3 months. The banks in France have many types of bank accounts with different credit cards, service charges and advantages. Some accounts include net services, which makes it possible to pay bills or transfer money from one account to another.

How to open a bank account

Go to your chosen bank with you the following documents:

- A valid passport + VISA
- Your Student Card
- Your lease in France
- Additional documents may be required

YOUR STUDENT LIFE IN ROUBAIX

HOW TO GET TO ENSAIT IN ROUBAIX

1- How to get to Lille

By plane:

• Lille Airport: Lille-Lesquin airport is less than 10 km from Lille. Shuttles are available between Lesquin Airport and Lille train stations in the city centre.

• Paris Airport :

From Roissy-Charles de Gaulle: the train station to Lille is in the airport, so you follow the signs to the station and take a train which goes directly to Lille (price about €40). The journey takes about 50 minutes.

• International Airports: As Lille is between European capitals such as London or Brussels, you should compare plane ticket prices. Sometimes it's cheaper to get to Lille from these cities. London is 1h30 from Lille by train (Eurostar), and Brussels is just 30mn away. But be careful, if you are non European, you won't be able to go to London without a special visa, and there may be special conditions to go to Brussels, so check with the French embassy in your country before buying your plane ticket.

By train:

From the main European cities (London, Paris, Brussels), head towards Lille Flandres or Lille Europe.

In all cases:

- Be careful as there are **2 train stations in Lille** (Lille Flandres and Lille Europe). The 2 train stations are at 400 meters from each other.
- Even if to buy a ticket before is cheaper, if you have a plane problem, you will lose your ticket so the best is to buy your ticket when you're in France or to give you a long time between the plane arrival and the train departure.
- IMPORTANT: EVERY bag must have a label / paper with your first name, last name, address in your country, a phone number. If not, it can be considered as a lost bag. It even can get exploded by police (because it can be taken for a bomb bag) with a security area... so you'll lost all your stuffs.

2- How to get to Roubaix

By underground:

From Lille train station (Lille Flandres or Lille Europe), take line 2 (red line) towards CH. Dron, and get off at "Gare Jean Lebas Roubaix" station (also a train station but there are few trains) or "Roubaix Grand Place" which is 8mn on foot from ENSAIT.

PUBLIC TRANSPORT

1- How to travel around Lille and the surrounding area (Roubaix-Lille-Tourcoing)

Transport in the Lille-Roubaix-Tourcoing area is managed by **ILEVIA** which runs the public transport services: buses, tramway, underground (Val) in the region.

FARES:

A **one way individual ticket is €1.75.** This can be purchased from an automatic vending machine at each metro (select English language) and tramway station, from a tobacconists shop or the Transpole sales outlets and offices.

A monthly ticket may be cheaper for you, particularly if you are under 26 years old.

The METRO, there are 2 lines

- Line 1 (yellow line): links Lille Regional Hospital Centre (CHR) to 4 Cantons station (which serves Lille I University)
- Line 2 (red line): links the Tourcoing Regional Hospital Centre (CHR) to St. Philibert
- To go to Lille Centre from ENSAIT: you can take the metro Line 2 at "Gare Jean Lebas" or "Roubaix Grand Place" station, and get off at "Gare Lille Flandres" or "Rihour "(line 1)

NB: Don't forget to stamp your ticket before getting on the underground, the tram or a bus. If not you may have a fine.

METRO MAP:

EVERYDAY LIFE IN THE NORTH OF FRANCE

Weather:

As Roubaix is in the north of France, the climate is temperate.

- Autumn/Winter: quite cold, wet weather. From -5° Celsius to +5° Celsius.
- Spring/Summer: cool, mild weather. Average temperature: 12° Celsius to 25° Celsius.

•

Times:

- Meal times: Breakfast: between 7:00 and 9:00 am;
 - Lunch: between 12:00 and 2:00 pm;
 - Afternoon snack: between 4:00 and 5:30 pm;
 - Dinner: between 7:00 and 9:00 pm.
- **Public organisms** open from Monday to Friday, 9:00 am to 4:00 pm (sometimes closed at lunchtime or open on Saturday morning).
- Post office: from Monday to Friday: 8:00 am to 5:00 pm. Saturday: 8:00 to 12:00 am
- **Banks:** open from Tuesday to Saturday morning, 9:00 am to 6:00 pm (9:00 am to 12:00 am on Saturday). Closed on Mondays and at lunchtime
- Police station, Hospital, Emergencies, Help: open 7/7 day, 24/24
- **Chemist:** from Monday to Saturday, 9:00 am to 7:00 pm (there is always a chemist open somewhere 24/24. The emergency chemist will be noted on each chemist's door)
- Supermarkets: from 8:30 am to 8:30 pm, Monday to Saturday

- Shops (food, newspapers, tobacco ...): Monday to Saturday, from 8:00 am to 7:00 pm
- Shops (presents, home, ready to wear...): Monday to Saturday, from 10:00 am to 7:00 pm

NB: These times are approximate

In ENSAIT, working hours vary, depending on the courses you are studying. The school is open from Monday to Friday, 7:30 am to 7:00 pm.

NOTE:

In France, the **hour changes** twice a year. **Summer time** (from end of March +1h) and **winter time** (from end of October -1h). Therefore, if you are in France at this time of year, check with French people or French organisms.

Cost of living: (average)

Accommodation: room in a university residence: €200/360.

Food: weekly food shop at a supermarket: €30; a sandwich in a bakery: €3.50; a meal in a restaurant: at least €15; bread (a French loaf): €1.50;

Public transport: Lille metro ticket: €1.70; Paris metro ticket: €1.80

Free time: cinema: €10; a drink in a bar: €5,

Mobile phone: a prepaid card: from €5; a mobile phone: from €40

Student card: with your student card, you will be eligible for many **reductions**, so show it whenever and wherever you have to pay as you may well be able to get a discount.

Food stores: You can get food from a range of stores:

- Supermarkets: here, you can find all convenience goods whether your budget is large or small. There are many supermarkets, so there will certainly be one close to where you live. The nearest to the school is GEANT (address: 21bis grand rue 59100 Roubaix).
- Specialized food stores: in France many shops specialise in high quality food, such as bakers, butchers, organic food, groceries, foreign food... However, these can be expensive.
- Markets: you can find cheap local food in open-air markets such as vegetables, bread, spices and cheese. The most famous market is Wazemmes Market in Lille (Metro Station: Wazemmes or Gambetta (line1)) every Tuesday, Thursday and Sunday morning.

University Restaurants ("RU"): The public organism, the CROUS, which manages University residences, is also in charge of University Restaurants and offers very cheap meals for students. There are other RUs in Roubaix at the following addresses:

- **RU Campus Gare** : 500meters from Ensait.

Don't forget, your student 'buddy' is there to help you discover the culture and find your way around in your everyday life so do feel free to ask for her or him for advice!

Fees:

de la vie tudiante

| Type of expenses | Cost of expenses |
|--|---|
| Security deposit for accommodation | Equivalent to 1 month rent; refunded at the end of the lease if there is no damage. |
| School registration fees (no fees for exchange students, please check with your university) | 601 euros + CVEC : 92 euros |
| Temporary residence permit | €60 |

Accommodation and civilian insurance : about **30euros**

Fees for contract with crous (to be paid to ensait): **95euros**

VISITING ROUBAIX AND THE REGION

Roubaix, in the heart of the 4th largest urban area in France, is the second biggest town in the Northern area of the "Nord-Pas-de-Calais" region, and has a high proportion of young people. It is famous for its dynamism and friendliness. Roubaix centre is also home to 20 higher education institutions, catering to around 6000 students.

20 minutes by underground from Lille, and connected to all the main European cities by TGV and motorway, Roubaix is the "Capital of Bargains" with two factory store outlet complexes, many renowned cultural centres and a recently renovated and dynamic town centre.

The town is very close to Lille, which was the European Culture Capital in 2003. This event boosted the city's dynamism, and many new places in and around Lille were designed for cultural events such as concerts, exhibitions, cinema, festivals at the time. The Nord region also boasts great resources and diversity, including the typical urban architecture, the "Côte d'Opale" coast, amazing carnivals like the "Carnaval de Dunkerque" in February, numerous food specialities and easy access to the UK and Belgium...

HEALTH SERVICES AND EMERGENCIES

1- Health services

GENERAL PRACTITIONERS

General practitioners: You can choose your general doctor (GP) and consult as many as you wish, but you will have to pay for them up front as with most medical services in France. GP's can prescribe medicine and give you health advice, etc.

Near ENSAIT:

Dr Renaud SOLANET: 91 Avenue Jean LEBAS, Roubaix (03 20 01 30 30)

Dr HEBBINCKUYS: 73 rue de l'Alma, Roubaix (03 20 70 65 24)

Specialists such as Ophthalmologists, Gynaecologists or Psychiatrists can be consulted without referral from a GP. You must be referred by your GP for other specialists.

Medical services such as X-Rays, sonograms, MRI scans, lab tests (blood tests, urine tests...), etc. are reimbursed when prescribed by a doctor.

HOSPITAL SERVICES

Medical Institutions: There are two types of medical institution: **hospitals** (public organism) and **clinics** (private organism).

Main Hospitals in Lille area:

CHR Lille: 2 avenue Oscar Lambret, Lille (03 20 44 59 62) Hospital Saint Vincent de Paul: Rue de Mulhouse, Lille

Hospital Victor Provo: 11-17 Boulevard Lacordaire, Roubaix (03 20 99 31 31)

AMBULANCE SERVICES

Ambulances in France are run by private companies and are really nothing more than medical taxis which you can lie down in. For accidents and life threatening emergencies, you should either call the Fire Fighters (*pompiers*) by dialling 18 or the SAMU on 15.

CHEMISTS

Chemists are health professionals who may be consulted for minor health problems which do not warrant a visit to a doctor. They will also check prescriptions written by doctors to ensure that there are no undesirable side effects between the prescribed medications. Some chemists will always be open outside normal opening hours in case of an emergency (see section on emergencies below).

2- Emergencies

Depending on the nature of the emergency, there are possible several courses of action:

- For strains, sprains, cuts, and other minor injuries, go to the accident and emergency department at the nearest hospital.
- For accidents and emergencies, see above under "ambulance services" (call the Fire Fighters ("pompiers") by dialling 18, or the SAMU on 15).
- If a doctor (GP) or dentist is needed outside normal consulting hours, call 'sos médecins' (= sos doctor) 08 26 46 59 59
- The doctor on duty may prescribe medication that can be picked up at a chemists' outside normal opening hours or at weekends and holidays (a "pharmacie de garde"). You can usually find out which chemist is open by going to your local chemist and looking in the window, as they generally put up a sign indicating which chemists are open outside normal opening hours.

- In case of fire or other material damage, call the Fire Fighters (18)
- For any other problem, you can call the police (17) or the nearest police Commissariat.
